CANADIAN ASSOCIATION OF RECYCLING INDUSTRIES

MEMBER

In the promotion of optimal net economic and social impacts from commercial recycling activities, member companies of the Canadian Association of Recycling Industries commit to:

-  *The protection of people and environment together with economic development, in other words, Sustainable Development.*
-  *Designing and operating operations based upon the efficient use of energy, resources and materials.*
-  *Complying with all legal requirements which affect their operations and products.*
-  *Refraining from making false or misleading statements about their products.*
-  *Ensuring that all their employees understand and are able to fulfill their safety and environmental responsibilities.*
-  *Working actively, directly or through the Association, with the public and governments to develop equitable and attainable standards.*
